

# About This Wiki

This Wiki is an ever-changing medium which provides deeper information on my works. At the same time it has the function of a tool under construction for these works. Please feel free to click here the [SITEMAP](#) to get an index. Also the pen icon up right will provide an overview. Feel also free to use the comments section below on this page (I'm sorry, maybe it's currently unavailable) or forward an [e-mail](#). A current and brief artist's CV you will get [here](#).
